CLUB COMMITTEE

We have a new operator, Jeremiah Medley who was the manager under Karem's. The Club now has 898 members who have the rights to enjoy the club. The operation of the club provides the shareholders / slip owners about \$10 a month each in relief of maintenance fees.

MARINA NOTES

We dredged several slips on E and F ramps before the April 15th cut-off. We will again be able to dredge slips after June 30th. If you need dredging please fill out a dredging request online at www.limestoneyachtclub.com/dredge

HARRODS CREEK BRIDGE

The Harrods Creek Bridge and Upper River Road is the only state-designated Scenic Byway in the entire Metro Area. The widening of this bridge, proposed by Metro Louisville would destroy the historic integrity of the bridge and could introduce traffic and safety impacts on River Rd and adjacent roads, such as Wolf Pen Branch Rd. It would be extremely helpful if concerned citizens would contact Mayor Abramson to express your views on this project. Contact Mayor Jerry Abramson at 502-574-2003 or fax 502-574-5354. Please don't wait! Do it today!
